

Riverside CHP

@RiversideCHP

We need new management committee members!

Riverside Community Health Project is managed by a committed volunteer Board of Trustees and we are looking for new people to join our management committee. In particular we are looking for a finance expert, the commitment would be 6 Board and 6 finance sub group meetings per year.

We welcome interest from those who use our services as well as those who are interested in furthering our work; through contributing to the management and development of our Charity.

What's in it for you?

- You get the opportunity to have your say
- Personal development opportunities and free training
- Develop your leadership skills
- Improve your knowledge on how the organisation is run
- To have a say in our service provision
- Use your skills where they are really needed
- Meet new people

What's in it for us?

- Your skills
- New ideas
- Better community representation
- Involvement of project users
- Your knowledge of the local area

Management Committee members are all appointed as Trustees of the Charity and their role is to be part of a team to ensure that:

- the organisation has a clear strategy and set of goals
- the organisation has goals that are in line with its stated vision as defined in its charitable objects
- the organisation manages its finances in a responsible and efficient way
- the organisation has suitably qualified staff in place and to appoint and support the Chief Executive in their role
- they delegate authority for day to day activities to appropriate staff and/or volunteers
- they take overall legal responsibility for the organisation's work
- they act in the interests of the organisation not themselves

Trustees are volunteers but will be paid reasonable out of pocket expenses
